

Massachusetts Rehabilitation Commission & the Executive Office of Elder  
Affairs in collaboration with the

present

**COGNITIVE IMPAIRMENT AND DEMENTIA:**  
What you need to know about Alzheimer's Disease and Related Dementias

**FOR:** Providers Who Work with Individuals with Cognitive Impairment or  
Dementia (includes Information and Referral staff, Peer Support Counselors, ADRC  
Alzheimer's Liaisons, Family Caregiver Specialists, and Long-term Care Options  
Counselors)

**WHEN:** March 19, 2010, 1:00 PM to 4:00 PM

**WHERE:** OLD COLONY ELDER SERVICES, INC.

**Training will include:** The basics of Alzheimer's Disease and a brief overview of related disorders; normal aging vs. dementia; warning signs; diagnosis and treatment options; supporting the person with memory loss, including basic communication techniques and symptom management; care options; support for the person with memory loss and their caregivers through transitions at each stage of the disease, including services available from the Association.

Training is limited to 35 people. Each agency is limited to sending 2 people. A webinar is being planned for later in the spring of 2010 that will be available to all ADRC members.

**Reservations for March 19, 2010 training at Old Colony Elder Services, Inc.**

Please complete one form per registrant. Registration deadline is February 26, 2010
