Resources for Elders, Family and Professional Caregivers

SPONSORED BY ETHOS AND THE CAREGIVER ALLIANCE OF SUFFOLK COUNTY

Volume 7, Issue 3

November 2009

November is National Caregivers Month

Every November the President of the United States proclaims November to be National Family Caregivers Month (NFC Month). Family caregivers are the country's largest and most critical providers of long term care. The month of November is designated as a time every year to thank, support, educate and celebrate more than 50 million family caregivers across the country currently providing an estimated \$306 billion in "free" care giving services.

The National Family Caregivers Association is also offering **two free** important informational trainings by both web and phone. The first is called **Safe & Sound: How to Prevent Medication Mishaps** on Thursday **November 12, 2009 at 2.00 PM EST. Free by telephone or online.**

Bad reactions to medications result in over 100,000 deaths a year. If you are caring for a loved one who is: elderly, taking multiple medications, seeing more than one doctor, or suffering from multiple illnesses, your loved one may be at risk. You will find answers to these and other questions:

- When are medication problems most likely to occur?
- What can I do to minimize risks associated with medications?
- What are the questions I should ask doctors and pharmacists?

For More Information email: Teleclass@thefamilycaregiver.org or call: **1-800-896-3650.**

On Thursday, **November 19, 2009** the **NFCA and Home Instead** will be offering a Family Caregiver Web Conference called **Senior Care Solutions and Potential Pitfalls at 7PM EST.**

If you are concerned or have questions about...

- Your senior's well-being today and beyond
- How to identify what your loved ones need
- Care pitfalls to avoid
- Talking with your parents about their options
- How to help your parents plan for the future
- Resources and assistance

then please join this 30-minute presentation followed by a question and answer period. If you do not have speakers for your computer, you can listen to the audio by calling **(877) 271-1862** and entering conference number **35800829**

Join us This Fall
